8<sup>th</sup> December 2016

Dear parents and carers

*an artist, A SCIENTIST, an inventor,*  
*a vet, an astronaut or a florist?*

As part of our work to foster pupils' aspirations, we are inviting children to come to school, on Friday 6<sup>th</sup> January 2016, dressed as who they would like to be when they are older and working. In the week leading up to the end of term, children will be thinking about the type of work they would like to do and what inspires them.

So that children make the most of the day, please help them choose an appropriate costume. It can include anyone who inspires or motivates them including the emergency services, scientists, members of the armed forces or a modern day hero who has made the world a better place. If you are unsure about your child's choice of costume, please check with their class teacher.

We are looking forward to the day and taking the opportunity to consider how our children will live fulfilled lives and make a difference to the world we will live in.

Yours sincerely

**Colette Pidgeon**  
**Interim Headteacher**
