Dear Parent/Carers

From September 2017 qualifying working parents of three year old children will be able to claim 30 hours of free childcare a week. At Trotts Hill we would like to support parents to claim their entitlement by continuing to offer 15 hours in school with the additional hours provided by childminders. In order to do this we need to build the number of childminders who are able to collect children from our school.

If your family already uses a registered childminder, we would be grateful if you could contact us to advise their details. Alternatively, please could you ask them to contact the school so we can register their interest in helping us to support this directive.

Thank you for your support.

Yours sincerely
