Interim Deputy Headteacher: Mrs Sanjeet Shergill

19th May 2017

Dear Parents/Carers

The Foundation Stage team are working on increasing the learning opportunities available in our outside area. The PTA has worked hard to raise money to support this and very soon we will have a new mud kitchen.

We would also like to purchase the climbing frame referred to below in order to support children's physical development. It would make a wonderful addition to our outdoor area.

COST £625

We would like to involve the children and their families in helping to raise money towards it by organising a sponsored event. We would be grateful if you could help your child to collect sponsors for finding as many things as they can that are **smaller** than a sunflower seed. They should sellotape the items they find in the grid provided and then return it to school with their sponsor form and money no later than 6th June.

We would like to thank you from both children and staff for your continued support.

Yours sincerely

The Foundation Stage Unit
