Dear Parents,

I would like to take this opportunity to remind you of Year 4's homework. Homework is given out every **Wednesday** and is due in on the following **Monday**. Over the past term a number of children have not been completing their homework each week. Homework is an important part of school and consolidates what we have been learning in class. Completing homework and handing it in on time also prepares the children for Year 5 and 6 and Secondary School. It also teaches the children independence and responsibility which is one of our school values.

With this in mind, I have made the decision that if children do not hand in their homework they will now be expected to complete it during their Golden Time on a Thursday. This will start next week.

Thank you for your understanding in this matter and your continued support.

Yours sincerely

Yvonne Chumbley
