27th February 2017

Dear Parents and Carers

Please find attached the OFSTED inspection report from Linda Killman (HMI). I hope you read the letter and feel proud of your children and the school they attend. The school was last inspected in January 2012, and has been on a long journey, since then, so I am very happy to say that: "This school continues to be good".

Linda Killman was with us for one day and inspected different aspects of the school's work. I am grateful to the parents and carers who were able to complete the questionnaire on Parent View. As you can see, many of your comments were included in the final report which is testament to your loyalty and support of the school and this means a great deal to us as staff and governors. It is clear in the report what the strengths of the school are and we celebrate those. Equally, we will carefully consider the areas where we need to direct our attention in the future.

I want to say a huge thank you to all staff including our governors for the good standard of care and education they provide. Everyone plays their part to ensure the school maintains high standards across all aspects of school life. It was a huge team effort to achieve the result and everyone can feel proud of the outcome.

We will enjoy celebrating the result with your children, during an extra playtime, as they were a credit to the school on the day of the inspection.

Thank you again for your ongoing support.

Yours sincerely

Miss Colette Pidgeon
Interim Headteacher
