Dear Parents,

As part of our English curriculum I would like the children to produce a short spoken presentation.

The presentation can be on any subject which interests your child e.g. a particular animal, a famous person (past or present) or even a hobby which they participate in.

The presentation should last no longer than 2 minutes and should engage and interest the audience.

The children will be able to show props and pictures if they wish but they will not be able to show a power point presentation.

The most important thing is that they try and learn some of their speech so that they are not just reading the information. The children should be speaking clearly, audibly and use expression.

The presentations will take place during the summer term. Please see the timetable below.

If you have any questions, please don't hesitate to ask.

Yours sincerely

Yvonne Chumbley
