31<sup>st</sup> January 2017

Dear Parents,

## Re: Year 6 Homework

From Monday 6th February we are making some slight changes to how we set homework for your children.

Every Monday the children will receive one maths test paper and one reading or grammar test paper for their homework which will be due in the following Monday. Mrs Shergill and I will then go through the homework with the children on Monday afternoons.

Assessments show that we need to get the children test ready and in our experience, the more opportunities the children have to practice the skills and knowledge they have been taught with past papers, the more confident they are in May.

The maths paper should take no more than 40-50 minutes to complete and the reading or grammar paper should take 1 hour. We have told the children to try their best with completing the papers as best as they can and to come to myself, Mrs Cornish or Mrs Shergill if they need any additional help.

We appreciate the support you are giving your child already and are proud of how hard they are working as a class. If you have any questions please don't hesitate to come in so we can discuss any concerns you have.

Yours sincerely

**Mr Ward**  
**Year 6 Class Teacher**
