**Deputy Headteacher:** Mrs Sanjeet Shergill

---

To my wonderful Year 6,

I have been so impressed with the attitude you have shown throughout this term, in school and at home. We have an exciting Spring Term ahead with our World War 2 day, Knex challenge and talent show to name a few.

To support you, I will be sending home two revision documents. The first document focusses on the Mathematical Concepts which covers all of the mathematic reasoning concepts that you need to know by the end of Year 6. Within the document, I have included my top tips and previous assessment questions. The second document focusses on all of the grammar, punctuation and spelling (GPS) concepts that you need to know by the end of Year 6. Within the document, I have included questions from the previous two assessment papers.

Your task over Christmas is to answer as many questions as you can using the revision booklets - any questions you find difficult, give them a go and put a little star next to it so that we can go through it together in class.

Please make sure you bring these documents back into class by Monday 9<sup>th</sup> January as we will go through them together during our first maths lesson and will be referring to them throughout your learning in class.

I hope you have a lovely Christmas break with your family and enjoy your festive celebrations.

Yours sincerely

**Mr Ward**  
**Key Stage 2 Leader**
